STARR II Training Webinar Series | 2024

STARR II is excited to announce its webinar training series schedule for 2024!

This innovative series includes a variety of sessions led by subject matter experts on the National Flood Insurance Program (NFIP) and other floodplain management topics (e.g., the Basics of Reading Flood Maps and an Introduction to Coastal Construction).

Join us for these upcoming offerings:

January 25 (9 – 10 am, PST): Permitting Floodplain Development [Register Here](#)

This session provides an introduction to permitting structural and non-structural floodplain development in accordance with the NFIP and local ordinances. This course also includes tips and resources for local officials. **Approved for 1 Continuing Education Credit (CEC) for Certified Floodplain Managers (CFMs).*

January 25 (10:30 am – 12:00 pm, PST): Inspecting Floodplain Development [Register Here](#)

This session provides an introduction to inspecting floodplain development for compliance with the NFIP and building standards. This course also includes tips and resources for local officials. **Approved for 1.5 Continuing Education Credits (CECs) for Certified Floodplain Managers (CFMs).*
