

FEMA Region 10 Mitigation Planning Program presents...

2017 Natural Hazards Mitigation Planning Coffee Break Webinar Series

Strengthening Tribal, State, and Local natural hazards mitigation planning program capabilities

WHAT: The FEMA Region 10 Mitigation Planning team introduces the Mitigation Planning Coffee Break Webinar Series for 2017. Each month we will spend 1 hour discussing a different mitigation planning topic. We will provide best practices, highlight work from Region 10 tribes, states, and cities, and have guest speakers share their experience with of mitigation plans and mitigation planning.

WHO: The webinar series is for everyone involved in community planning both in the public and private sector. This includes community planners, emergency managers, floodplain managers, wildland fire mitigation professionals, local and tribal government officials, contractors, and anyone involved in the development and implementation of natural hazard mitigation strategies.

REGISTER and RECORDINGS: For a list of announced course dates, registration, and past webinar recordings, visit the Coffee Break site at <http://www.starr-team.com/starr/RegionalWorkspaces/RegionX/mitigationplanning>. Registration and dates are generally announced 2 to 3 months in advance.
