

FEMA REGION X TRAINING OPPORTUNITY

FEMA

Course: G-318

Mitigation Planning

Date:

May 10-11, 2017

Location:

Lewiston, ID

Time:

8:00am - 5:00pm

Course Description:

Hosted by the Nez Perce Tribe and FEMA Region X. This in-person, 2-day workshop covers the fundamentals for communities to develop new or updated Tribal or Local Mitigation Plan that address community priorities and meet requirements established in 44 CFR 201.6/201.7. Participants will learn the planning process, how to engage stakeholders, assess risks and develop effective mitigation strategies. Finally, the basic elements of the plan review, approval, and update cycle are discussed, including tips for implementing and maintaining an approved plan, tracking performance, keeping stakeholders involved, and preventing plans from lapsing or expiring.

Course Objectives:

- Define hazard mitigation and identify the benefits of mitigation planning.
- Develop or update a local or tribal mitigation plan.
- Identify resources and guidance available for mitigation planning and plan implementation.

Credits:

12 CE's are available to current Certified Floodplain Managers (CFMs).

Target Audience:

Tribal and local government officials, land use planners, emergency managers, floodplain managers, and others who are involved in the development of a Tribal or Local Mitigation Plan. State and Federal officials involved in mitigation planning may also find this training beneficial.

Funding:

Tuition is free for those accepted; there are no travel/salary stipends available for this offering and all incurred costs are the responsibility of the attendee or sending organization.

Prerequisites:

There are no required prerequisites for this course.
